Takeaways

- Education Working Group members completed the strategy planning spreadsheet exercise
- Advocacy Working Group members will complete the same exercise (date TBD)
- The MBNEP along with the two co-chairs will meet to discuss the results of the exercise and develop next steps for whole CRC group.
- Set date for the next CRC meeting. Invitation will be emailed.

1. Welcome & Introductions

Meeting called to order at 1:06 p.m.

2. Overview of Meeting Objectives

- a. Mark Berte gave a brief overview of the Education Working Group meeting's objective; Draft the Community Resources Committee work plan as it related to education from October 2016 through September 2018

3. Strategy Discussion

- a. Roberta Swann gave an explanation for each Goal and Objective in the CCMP to provide clarity for the members on how the goals and objectives can be related to an educational opportunity.
- b. Collectively, the members provided their input based on the educational opportunities they thought would fit best within each category (see spreadsheet for details).
- c. It was determined the three to five actions, that will include performance measures, deliverable and outcomes, will be decided once both working groups have completed the exercise and the co-chairs and MBNEP have met to compile

the results. The co-chairs will list out any opportunities that both groups would be able to work together to accomplish by 2018 and present at the next CRC meeting.

4. Next Steps

- a.** The Advocacy Working Group members will meet (date TBD) and complete the same exercise.
- b.** MBNEP will compile information gathered at The co-chairs and MBNEP will meet to discuss the results from both working groups strategy planning exercise and compile a list of opportunities the CRC can choose from when picking their 3 to 5 actions to accomplish by 2018.
- c.** The next CRC potential meeting dates will be sent out as soon as possible. Target month is October.

5. Adjourn

The meeting adjourned at 2:27 p.m.
