

# Community Meeting

## **“Protecting the Bayou La Batre Watershed for Future Generations”**

Hosted by the Bayou La Batre City Council

Thursday, August 20, 6:00 PM  
Bayou La Batre Community Center

Door Prizes Courtesy of the  
Bayou La Batre Area Chamber of Commerce

### **All Citizens Invited**

A comprehensive study of the Bayou La Batre waterway and the land areas that drain into it is underway. Come and learn how this study can help us protect the health and cleanliness of the watershed for our children and grandchildren.

### **You might also win a great door prize**

All Citizens – All School Children – All Business Owners  
Need to Hear This Presentation

**This is your opportunity to show support for those who are working to protect our waterway and our quality of life and to get your questions answered.**
