

## Mobile Bay National Estuary Program Community Resources Committee

Wednesday, May 27, 2020  
9:30-11:00am  
Zoom Call

1. Welcome & Introductions
2. Approval of minutes from the March 8, 2020, meeting
3. Review of survey responses from the January 8 questionnaire towards development of a CRC workplan focusing on aquatic debris reduction.  
The target area/topic should include all CRC charges and responsibilities: education, policy, action, and regulatory/enforcement.
4. Continuing the discussion and selection of achievable outcomes related to educational activities (and a more knowledgeable population), actions (specific events), awareness (greater awareness and sensitivity to litter and resulting problems), legislative and policy actions (that address litter and debris issues), reduction in trash and (relatedly) increased recycling.
5. Developing a strategy and tactics – What needs doing? By when? Who is the responsible party? Is division of labor equitable and satisfactory? What resources are needed? Which are available, and which need securing? What metrics are appropriate to each strategy?
6. Leadership Discussion
7. Next meetings:  
September 9, 3:00 – 4:30 PM or 9-10:30am
8. Adjourn
