Surdna Foundation Sustainable Environments Grants	Surdna Foundation 330 Madison Avenue 30 <sup>th</sup> Floor New York, NY 10017 212-557-0010 <a href="mailto:questions@surdna.org">questions@surdna.org</a>	The Surdna Foundation seeks to create just and sustainable communities where consumption and conservation are balanced and innovative solutions to environmental problems improve people's lives. The Foundation works from a sustainable development perspective to demonstrate that a healthy environment is the backbone of a healthy economy and a democratic society. They fund three key related priority areas-Climate Change, Green Economy, and Transportation and Smart Growth-that aim to transform how Americans work, consume and move. Grants are approved in February, May and September. <a href="http://www.surdna.org">www.surdna.org</a>
Water Environmental Research Foundation Werf Cooperative Agreement	Carrie Capuco Communications Director <a href="mailto:ccapuco@werf.org">ccapuco@werf.org</a> 571-384-2097	Funding for the research is through EPA's Aging Water Infrastructure Research Program, a research agenda that supports efforts to put the nation's aging infrastructure on a pathway toward sustainability. Research efforts will include treatment technologies for wastewater, stormwater, water reuse, and drinking water. The innovative tools and cost-effective solutions that will be developed through this research should provide assistance to municipalities in their ongoing efforts to serve the public and improve water quality. <a href="http://www.werf.org">www.werf.org</a>
KaBOOM	<a href="http://kaboom.org/about_kaboom/programs/grants">http://kaboom.org/about_kaboom/programs/grants</a>	The Build It with KaBOOM! Playground Grant provides eligible communities with the majority of funds, tools and resources they need to build a custom-made playground – all in one day! Through this grant program, the majority of the playground funding for the project is provided by one of our generous Funding Partners. Selected groups, referred to as Community Partners, will work closely with a KaBOOM! Project Manager who will lead Design Day and Build Day activities as well as coordinate the equipment and material purchases for the project. Community members will take the lead in recruiting volunteers, securing food and tool donations and completing any necessary site preparation.
