The Helen W. Wood Park, located on 7 1/2 acres next to the Mobile Yacht Club, 4925 Dauphin Island Parkway, will be dedicated in a ceremony Thursday at 10 a.m. The public is invited to attend.

The site, donated to the state of Alabama by Helen W. Wood of Daphne, will be available for use as a public access site and park.

Alabama State Lands Division Coastal Section and the Mobile Bay National Estuary Program assisted the city of Mobile with developing and enhancing the site, and the city will maintain it.

A boardwalk, pavilion and restrooms will be available at this waterfront site. Wood will be present at the dedication.
