

# Did you know that Foley High School is in the Bon Secour Watershed?

Let's protect OUR territory  
Put it in the CAN Lion fan  
Only Losers LITTER.

**GO LIONS!**

Hut Hut! Don't flick the butt! Cigarette butts are litter too.

Carry the ball!  
Our goal is a  
Clean Water  
Future.

Let's win one  
for the river!

Don't get  
blind-sided by  
dirty water.

A watershed is  
defined as the  
area of land that  
drains to a  
particular  
stream or  
waterbody.

**Bon Secour  
Fisheries, Inc.**

Littering is like  
punting on 1<sup>st</sup>  
down.

The City of Foley and the Mobile Bay National Estuary Program are  
*Creating a Clean Water Future One  
School at a Time.* For more  
information please visit
