

# Did you know that Spanish Fort High School is in the Bay Minette Creek Watershed?

**Let's protect OUR territory  
Put it in the CAN Toros fan  
Only Losers LITTER.**

**Let's win one  
for the creek!**

**GO TOROS!**

**Carry the ball!  
Our goal is a  
Clean Water  
Future.**

**Hut Hut! Don't flick  
the butt! Cigarette  
butts are litter, too.**

**Littering is  
like punting  
on 1<sup>st</sup> down.**

**Sack your  
trash!**

**Don't get  
blind-sided by  
dirty water.**

The City of Spanish Fort and the Mobile Bay National Estuary Program are *Creating a Clean Water Future One School at a Time*. For more information please visit [www.cleanwaterfuture.com](http://www.cleanwaterfuture.com)

A *watershed* is defined as the area of land that drains to a particular stream or water body.
